**Transcription of Complaint:** On June 14, 2021, ID received notification via e-mail of a Voice Mail message by PIC Thompson stating:

PIC Thompson stated he wants to report that he was sexually harassed by Officer Brumfield # 14488. PIC Thompson stated, "I've been in this building almost a year now and I've been trying to stop her advances on me, today she said in front of the whole house that "I better not give her dick to nobody, no other female in here" If I do, she is going to write me up and send me to the box and report me to my judge and my case. She wrote in the logbook that I refused to go to the clinic and that I told her that I was only going to let Miss Simmons escort me and if Miss Simmons doesn't escort me nobody else would. She told me you better not be fucking with Miss Simmons or any other female in here, that dick belongs to me. She wrote in the logbook that I refused to come to the clinic, she never came to my bed at 0845 and asked me any questions or anything."

**Callout/Summary Assessment**

On June 14, 2021, SI Martinez dispatched Investigators Francis and Newton to VCBC to interview PIC Thompson. Upon arriving to the VCBC, Counsel Visits Area PIC Thompson agreed to provide ID a statement on BODY CAM.

PIC Thompson stated on June 13, 2021, he woke up late at approximately 0945 hours and missed his DOT medication. PIC Thompson stated the housing area officer informed him that DOT medication has already been afforded to his housing area. PIC Thompson then noticed an entry in the housing area logbook made by Officer Brumfield who was assigned to the clinic that day. Officer Brumfield made an entry in the logbook stating, "PIC Thompson had refused to be escorted to clinic, because he wanted to be escorted by Officer Simmons". PIC Thompson stated he never refused to go to medication with Officer Brumfield. When Officer Thompson returned to the housing area at approximately 0945 hours, PIC Thompson confronted her. Officer Brumfield informed PIC Thompson that when she came for medication, another PIC informed her that he refused to be escorted to clinic, unless he was escorted by Officer Simmons. PIC Thompson became upset with Officer Brumfield telling her that he did not find her attractive and did not want to be with her. PIC Thompson stated on June 13, 2021, Officer Brumfield did not make any comments to him that were sexual in nature and denied that she ever sexually abused him.

PIC Thompson stated over the past year while housed in VCBC, Officer Brumfield has written him 10-20 love letters on various unknown dates and times. PIC Thompson stated he doesn't read the letters and had thrown all of them away, however he recalls one letter stated that "when I think about you, I get wet". Officer Brumfield works the 11x7 tour and has never been assigned to PIC Thompson housing area. PIC Thompson stated although Officer Thompson does not work in the same area as him, she gives these love letter to another officer to be given to him. PIC Thompson refused to identify the alleged officer that gives him the love letters from Officer Brumfield. The most recent love letter that Officer Brumfield sent to PIC Thompson was on an unknown date and time in May of 2021, which has been discarded by PIC Thompson.

PIC Thompson stated aside from the letters, he was never sexually abused by Officer Brumfield. When asked if he has any sexual contacted with Officer Simmons, PIC Thompson empathically responded "No", elaborating that he has no clue why Officer Brumfield would associate Officer Simmons with him.

Brumfield made sexual advances to him and stated in front of his housing unit "I better not give her dick to nobody, no other female in the here". Officer Brumfield also wrote in the housing area logbook, that PIC Thompson refused to be escorted to the clinic unless it was by Officer Simmons.

On June 14, 2021, PIC Thompson was interviewed by ID regarding the allegation he made against Officer Brumfield. PIC Thompson was asked to expound on specific details regarding how Officer Brumfield sexually harassed him, PIC Thompson clarified that Officer Brumfield never made any comments to him that were sexual in nature, nor has she sexually abused him at any time. However, during their verbal dispute, Officer Brumfield stated "You know how I feel about you" without providing context behind the statement. PIC Thompson did state over the past year, Officer Brumfield has written him several love letters. PIC Thompson stated Officer Brumfield never physically gave him any of the love letters, that an unidentified officer would deliver the letters to him. PIC Thompson refused to identify the officer that allegedly gave him the love letters on behalf of Officer Brumfield. When asked to produce the love letter, PIC Thompson he has only read one letter, and claimed to have thrown them all away. PIC Thompson stated Officer Brumfield has never been assigned to his housing area, and their only interaction is when she escorts him to the clinic. PIC Thompson vehemently denied being sexually abused by Officer Brumfield or Officer Simmons. PIC Thompson stated during the verbal dispute with Officer Brumfield, in front of the housing area the other PICs heard the comments she said to him. A canvass was conducted of housing 1AA no PICs were forthcoming with any information indicating Officer Brumfield made any comments to that were sexual in nature.

On June 15, 2021, ID received notification from Constituent Services of a complaint made by Philip M. Hines, Esq of Held & Hine LLP, stating PIC Thompson was sexually abused by Officer Brumfield at least two times at VCBC within the last six (6) months. The statement PIC Thompson provided to his Attorney is not consistent with the statement he provided to ID, as he stated that he was never sexually abused by Officer Brumfield at any time. A review of Genetec video surveillance was conducted for VCBC, 1AA on June 13, 2021, from approximately 0800-1100 hours, PIC Thompson and Officer Brumfield appear to have a verbal dispute, however at no time does she sexually abuse said PIC. PIC Thompson was afforded medical attention for this allegation on June 14, 2021, the Injury to Inmate Report (#2168) depicts PIC Thompson has no visible injuries and was returned to his housing area after receiving his mandated services.

A Securus phone call review was conducted which depicted PIC Thompson did make any phone calls under his account regarding these allegations, however he utilized the account of another PIC to make phone calls from June 13<sup>th</sup> -14<sup>th</sup> of 2021. During these phone calls, PIC Thompson identified himself and the respondents referred to him on a first name basis. On June 13, 2021, at approximately 1733 hours PIC Thompson made a phone call stating he was working on filing a lawsuit involving Officer Brumfield to "get some money" further stating "so when I come home my pockets is right... I'm taking this as a blessing". On June 14<sup>th</sup>, 2021, at approximately 1237 hours PIC Thompson left a voice message, stating he had an argument with a female officer the day prior and would be adding her to a lawsuit. On June 14, 2021, at approximately 1820 hours PIC Thompson made a phone call stating, he spoke to a lawyer that will take his case, and that he has four additional lawsuits being handle by two Attorneys and how happy he is that he got this done. A review of phone calls made depicted that he never made mention of being sexually abused by Officer Brumfield, and his main concern was filing a lawsuit against Officer Brumfield.

What was found to be consistent was PIC Thompson statement regarding the logbook entry made by Officer Brumfield which caused to him to be upset, which was confirmed by Officer Brumfield in her statement to ID. A Facility Referral will be generated to address comments made by Officer Brumfield. Although they were not found to be sexual in nature, Officer Brumfield's comments to PIC Thompson were inappropriate and unprofessional.

 SUBJECT: Ordered Report in regard to an Allegation

On June 13, 2021 I C.O. Brumfield #14438 worked on the 2300x0731 tour and the 0700x1531 tour. On the 2300hr tour I was assigned as the clinic Q/waiting officer. On the 0700hr tour I was assigned as the medication escort. My 2300 hr. post entails me entering data into the IIS system for inmates receiving medical treatment. It also entails me interacting with medical staff and inmates as well as maintaining security. My 0700hr post entails me escorting the pharmacy tech. to and from the housing areas to provide medication and regulating the line of inmates in the housing area who are receiving medication. I am familiar with inmate Thompson, Kwaine 349-19-0152. My interactions with him began as me escorting him to the clinic a few times when I was assigned as the clinic escort. Occasionally he would ask me personal questions. I would tell him none of his business in a dismissive manner, and totally ignore him if he continued to try having a personal conversation with me. I didn't acknowledge anything that he would say. Inmate Thompson was on a daily medication list that required him to come to the clinic and receive it from a nurse directly. On June 13, 2021 I arrived to IAA to pick up inmate Thompson

for his direct observation therapy medication and was informed by the floor officer C.O. Kingly that inmate Thompson stated that he was not going to the clinic unless C.O. Simmons was escorting him. Due to the high priority surrounding D.O.T. medication I made a log book entry stating what C.O. Kingly told me. The entry stated that "as per C.O. Kingly inmate Thompson stated that he was not going to the clinic unless escorted by C.O. Simmons". I left the area. I returned later to conduct medication in IAA. Upon arrival to IAA inmate Thompson approaches me and confronts me about my log book entry in an aggressive manner using profanity calling me a liar. A verbal argument ensues. He calls me all kinds of names and insults me. I proceeded to tell him that he was a loser, a bum and a dirty creep and <sup>that</sup> everyone knows it. This argument was in the day room and very public. After I finished medication I left the area without incident. Inmate Thompson has no authority to dictate what is allowed to be written in a NYCDOC log book. Nor does he have any business reading or knowing log book entries. abused inmate Thompson. At no time have I written inappropriate notes or letters to inmate Thompson. I have no knowledge of inmate Thompson having an inappropriate relationship with any staff members. Since the day of the incident I have not had any encounters with inmate Thompson. Subsequently I refused to escort him anywhere and ultimately he was transferred to another facility after an incident with uniformed staff. I believe inmate Thompson made this allegation against me because I embarrassed him in his housing area and his attempts to have inappropriate conversations and gain personal information from me failed miserably. I would like to add that inmate Thompson was known to speak inappropriately to female medical staff and female uniformed staff. Inmate Thompson also filed a grievance against me. Inmate Thompson is an inappropriate manipulative career criminal who uses his knowledge of the jail system to attempt to undermine authority and make false allegations. After this incident several different officers alerted me that inmate Thompson said he was going to get me and teach me a lesson. This allegation is false. It is a poor attempt to ruin my job and get a lawsuit.

Constituent and Grievance Services

Please be advised that my client, Kwaine Thompson, reports having at least 2 unlawful and coercive sexual encounters with C.O. Bloomfield (Shield 14438) at VCBC within the last 6 months. On both occasions, they performed oral sex on each other. Yesterday, C.O. Bloomfield threatened my client with punitive action (including SHU) in front of the entire house because she thought he was having sex with C.O. Simmons and yelled, "That's MY dick!" for all to hear.

My client previously reported the aforesaid sexual contacts to Captain Montague.

Please refer this matter for immediate investigation. I would like to be present when you interview my client.
